

Celebrate your life!

## Invitation to cancer survivors

We cordially invite all cancer survivors to attend the Cancer Survivors' Reception and the Survivors' Lap of Honour which opens every Relay For Life event.

Relay For Life is a community celebration honouring current and former cancer patients, their families and friends. It is a unique, empowering and fun event lasting 24 hours, in which everyone can participate and make a real difference for people living with cancer right now, and those who may be diagnosed in the future.

Why should you attend?

- Meet and talk with other survivors...some in treatment, others who have been survivors for decades.
- Learn about services and programmes the Irish Cancer Society has to offer to cancer survivors and their families.
- Experience the healing and strength of being around others who have survived cancer and want to participate in Relay For Life.

*Yes! I am a survivor and want to participate in Relay for Life*
