Thank you for taking the time to fill in this form. Please return completed form to the Irish Cancer Society.

Your signature could make all the difference

The Irish Cancer Society believe that every person in Ireland has the right to the best possible cancer services, to have the lowest risk of contracting cancer, to have the highest survival rates and to have the best support and information when affected by cancer. **None of this is possible without your help.**

Your signature really does make a difference. Here are just some of the Irish Cancer Society services you are helping to support:

- **Daffodil Centres**, in 13 cancer hospitals around the country, provide a wide range of information and support to anyone affected by cancer – whether they are patients, family, friends, or simply someone with worries or concerns.
- **A Volunteer Driver** service, that provides transport for cancer patients to and from their hospital chemotherapy treatments. This service is of great benefit, not only to patients who live in remote parts of the country with little or no public transport, but also to patients whose immune systems are compromised, or who are weak or tired as a result of their condition or treatment
- A Freephone **Cancer Nurseline** (1800 200 700) where specialist cancer nurses provide comprehensive support, advice and information to patients, carers and the general public.
- A free **Night Nursing Service** to support cancer patients who are nearing end-of-life. This service helps them to remain in their own homes, in comfort, surrounded by the people they love.
