Cuan Cancer Social Support and Wellness Group

The idea for Cuan first surfaced in the spring of 2012. A couple of interested cancer survivors started a discussion and decided to try and establish a psycho-social support group for the Cavan area. In October 2012 Cuan opened for people with a cancer diagnosis to come along for a gentle exercise class and a cup of coffee & chat. The group is embryonic but is enthusiastic and we are looking at areas of development.

The Cootehill Credit Union has generously given us a wonderful space which will cater perfectly for our needs long into the future. The Farnham Hotel is our venue in Cavan Town.

Crocus Cancer Support Group

Crocus is a cancer support group for patients at different stages of their journey. We are all here as equals in the group to support each other, share experiences, offer advice and help out if we can, don't hesitate to ask. We have a lending library of books and CDs. Each member can join a rota system and avail of a free complementary therapy like reflexology and massage.

Meetings take place each Thursday from 11am – 1pm. We begin with a Tai Chi and relaxation class followed by tea/coffee and a chat.

Complementary therapies take place on Thursday also, please ring if you would like to avail of the service.

What cancer type is the group/centre for?

All cancers

Who is the group/centre for?

Adults with a cancer diagnosis
